ORDER**

Sh. S.S. Arora, Executive Engineer was charge sheeted under rule-7 of the Haryana Civil Services (Punishment & Appeal) Rules, 1987 vide this office memo No C&E-II/1926/2015/8807 dated 22.01.2015 and the following charges were levelled against him:-

- 1 That he has released payment of 1372.06 cum of stone soling bottom layer, stone aggregates, which was found under gauge by 52.90% and thus, Rs.1,99,600/- is liable to be recovered from the agency, but the same was not made and caused loss to the Market Committee/Board.
- 2 That he has released payment of 1372.06 cum of stone soling middle layer, stone aggregates which was found under gauge and thus, Rs. 1,70,575/- is liable to be recovered from the agency which is a loss to the Market Committee/Board.
- 3 That he has released payment of 1340.21 cum of stone metal top layer, stone aggregates which was found over gauge and thus, Rs. 1,99,600/- is liable to be recovered from the agency being loss to the Market Committee/Board.
- 4 That he in connivance with the Sub Divisional Engineer/Junior Engineer/Agency allowed sub standard work, i.e. under gauge stone soling, bottom layer, middle layer and top layer, stone aggregate and over gauge stone metal, stone aggregate for Rs.1,99,600+1,70,775+1,25,444/- which comes to Rs.4,95,619/- which is a financial loss to the Market Committee/Board caused with ulterior motive.
- 5 Thus, he has failed to perform his official duties honestly, sincerely and diligently & has violated the provisions laid down under Rule 3 (III) (iv) & (xii) of Work Procedure of the Board & Haryana PWD Code, para No. 6.5.19, 6.6.3 and 20.5.1 and PWD Manual of orders para No.5.4 (I) (a) and Rule 3(1) (i), (ii), (iii) & 3 (2) (ii) of the Haryana Government Employees (Conduct) Rules, 1966.

The charged officer submitted reply to the charge sheet vide letter dated 22.06.2015 and denied all the charges levelled against him.

The reply of the charged officer was considered by the competent authority and was found unsatisfactory. The enquiry was entrusted to Sh. R. P. Bhasin Distt. & Sessions Judge (Retd.) vide order dated 17.04.2015, who submitted enquiry report vide memo dated 02.02.2016, wherein all the charges have been proved against him.

The enquiry report was considered by the competent authority and it was decided to send a copy of the enquiry report to the charged officer with the directions to submit his objections/reply within 30 days. Accordingly, the same was sent to him vide memo dated 29.02.2016.

The charged officer submitted objections/reply vide letter dated 06.05.2016 stating that this enquiry was entrusted to the Inquiry Officer on 17.04.2015 and Sh. B.P. Arora, SDO (SVB), Panchkula did not attend the Court of Inquiry Officer before 02.11.2015. 1st evidence of prosecution was posed before the Inquiry Officer on 02.11.2015 and recorded his evidence and cross examination of evidence was also done on the same day. Sh. Mohinder Singh, XEN attended the Court on 02.11.2015, but his statement was not recorded by the I.O. He attended the Court on 06.11.2015 and got recorded the statement before the I.O. The cross examination of the evidence was done on the same day.

The I.O. was in such hurry to close the prosecution evidence and defence evidence within four days and he finally closed the prosecution evidence and defence evidence on 06.11.2015 on the plea that he is already late in submission of enquiry report to Chief Administrator as desired by him within six months. No opportunity of oral arguments and even no chance to discuss the facts of statement of PW-2, was given which was recorded on 06.11.2015. The I.O. had put the words in the mouth of PW-1 even while cross examination rather directed the words so that suitable material as per his requirement stands available on the record or the I.O. could not understand the matter being technical.

It shows uncaring attitude of SDO, SVB about the inquiry and haste on behalf of the Inquiry Officer to close the prosecution evidence and defence within four days. It is a fact that both Inquiry Officer and the SDO, SVB didn't leverage the time provided (6 months) to build the case as SDO, SVB didn't give time to Inquiry Officer to provide case evidences and details. He has also stated that the Inquiry Officer was under pressure to meet his timelines (6 months) and because of which he did a prejudiced and half-hearted effort to bring this enquiry to closure just to meet his timelines. The report of FSL which is vague, has double readings which don't line up together and doesn't have a conformity attribute associated with it which is a big miss in the report. The tests conducted in this report don't evaluate the quality of material, but Inquiry Officer used the same report to deem road material as sub standard in various portions of his conclusion report. For evaluating quality of material, SDO, SVB should have done the impact value (hardness test of the material) of the road material which was not got done. On the basis of size variation of the material used in the road work, he cannot claim the material as sub-standard when its hardness is okay. It either shows inexperience or bias or haste or worst all of them in this case.

He has further stated that no opportunity of oral arguments and even no chance to discuss the facts of the statement of Sh. Mohinder Singh, XEN was given. The report of FSL which is vague, has double readings which don't line up together and doesn't have a conformity attribute associated with it which is a big miss in the report. The tests conducted in this report don't evaluate the quality of material, but Inquiry Officer used the same report to deem road material as sub standard in various portions of his conclusion report. For evaluating quality of material, SDO, SVB should have done the impact value (hardness test of the material) of the road material which was not got done. On the basis of size variation of the material used in the road work, he cannot claim the material as sub-standard when its hardness is okay. It either shows inexperience or bias or haste or worst all of them in this case.

AB

given which was recorded on 06.11.2015. Further, the Inquiry Officer had put the words in the mouth of SDO, SVB during cross examination rather dictated the words so that suitable material as per his requirement stands available on the record. The Inquiry Officer did not take a view of statement of SDO that how he has worked out the loss. His procedure is not correct or is biased, whether certificate of sub standard work given by him is correct or not. It shows that the Inquiry Officer could not understand the matter being a non-technical person.

He has further stated that the Director, FSL Madhuwan has given two results of passing of materials which is not acceptable and even while cross examination, SDO, SVB did not reply. He has also stated that the Inquiry Officer being a law officer very well knows that if two results are mentioned in one column and no conformity report has been given by the Director, FSL, then the report of FSL has no force and the recovery worked out on the basis of FSL report will be null and void. The SDO, SVB has not got checked the impact value of the material, then how he can report regarding sub standard work. Later on, the impact value of material was got checked by the SE (QC), HSAMBoard, Panchkula after the directions of the then C.A Board and report of approved lab of HSAMB reveals that impact value was OK. Moreover, the passing results of stone soling as per FSL are approx. equal to the required passing as per MORTH specifications for stone metal. The report submitted by the SDO, SVB and report submitted by XEN, HSAMBoard, Panchkula are contradictory. It shows that he (SDO, SVB) has no experience in road work as admitted by the SDO, SVB in his statement dated 02.11.15 before the Inquiry Officer that no road work was executed during his tenure.

He has further stated that the SDO, SVB admitted that from Dec, 2012 to 28.05.2013, he has submitted reports to the Govt. for special checking of road works allocated to him. It means, he has experience of six months only for checking the road works and not of execution of road work.

Further, he has stated that while cross examination in question No.12, the SDO, SVB stated that taking average percentage stone metal/stone soling was done as per MORTH specifications, but he has taken average percentage of over gauge and under gauge stone soling/stone metal at one sieve where it was on higher side and which is not as per MORTH specifications. Whereas Sh. Mohinder Singh, XEN in his statement has admitted that average percentage of 5 Nos. sieve should be taken while calculating under gauge or over gauge. The statements of both the officers are contradictory and Inquiry Officer has relied upon the statement of SDO, SVB. In this situation, the Inquiry Officer could not understand the conflict of statements of both the officers before him and he ended up choosing the one which favored his line of prosecution.

question in question No. 12,
stone metal/stone soling
taken average percentage,
sieve of one sieve and 1

He has also stated that there is no provision in the DNIT/agreement of penal rate recovery of material due to over gauge supplied by the agency, whereas the SVB has proposed penal rate of recovery of stone metal. They can't go beyond the agreement executed between both the parties and recovery worked at penal rate is not correct as per contractual agreement and DNIT. Further, the XEN, HSAMBoard, Panipat has taken frequent visits at site of work and no adverse remarks were given by the XEN or by the S.E. Further, he has stated that the payments were recommended after getting the samples of aggregates checked from the lab as well as Division lab and they also got tested compressive strength of the bricks, DBD of earth, bitumen contents of premix carpet from the Micro Lab., Sonapat which is approved lab. He has further stated that the recovery of Rs.4,95,619/- as pointed by the SVB has been made from the bill of the agency. That the S.E, Karnal has written a letter to XEN, Panipat vide memo dated 05.05.2015 for making recovery of Rs.20,103/- as per decision taken by the Chief Administrator conveyed by the S.E.(QC) vide letter dated 10.11.2014.

He requested that the allegations and the resultant charges against him may kindly be dropped as he is innocent in the matter and discharged his duties sincerely, deligently and honestly and thus, there is no loss to the MC/Board. If any iota of doubt remains anywhere, he may kindly be granted an opportunity to be heard in person.

The objections submitted by the charged officer were placed before the Administrative Committee in its meeting held on 08.03.2018 vide agenda item No.04. The case was considered and decided by the Administrative Committee as under:-

"Sh. S.S. Arora, XEN (Retd.) was heard in person and repeated the averments in his reply/objections. After hearing and considering all the facts/record, the Committee observed that the charges/allegations are established against the delinquent by the I.O. and he is guilty of the charges incorporated in the charge sheet. Though, the recovery of loss of Rs.4,95,619/- pointed out by SVB (H) has been made good from the contractual agency. However, he cannot go scot free in this case for his negligence. Thus, the committee decided to award a punishment of 5% cut in pension for one year."

He is informed accordingly.

ORDER

Sh. Rajender Singh, Driver was charge sheeted under rule-7 of the Haryana Civil Services (Punishment and appeal) Rules, 1987 vide this office memo No C&E-II/2079/2016/23151 dated 04.04.2016 and the following charges were levelled against him:-

- 1 That he was assigned the duty to attend the foundation stone ceremony at village Dhakla to be laid down by the Hon'ble Agriculture Minister, Haryana, with Jeep No. HR-03H-4903 alongwith S/Sh. Duli Chand, Sub Divisional Engineer and Raj Pal, Junior Engineer, but he left the jeep in the morning at village Raiya without any intimation/prior permission from the controlling officer, due to which the official work could not be done timely.
- 2 That he left the jeep in the evening at village Kasni, when they were coming back from village Dhakla to Jhajjar without any intimation/prior permission from the controlling officer.
- 3 That he has violated the provisions prescribed under Rule 3(1) (i), (ii) & (iii) of the Government Employees (Conduct) Rules, 1966 and has remained careless in discharging his official duties regularly, sincerely & diligently.

The charged official submitted reply to the charge sheet vide letter dated 05.05.2016 and denied all the charges leveled against him. The reply of the charged official was considered and enquiry was entrusted to Sh. Roshan Lal, HCS (Retd.) vide order dated 26.08.2016, who has submitted enquiry report vide letter dated 10.12.2016 wherein he has proved all the charges leveled against him.

The enquiry report was considered and sent a copy of enquiry report to the charged official vide memo dated 02.01.2017 to submit his objections/reply within 30 days.

The charged official submitted objections vide letter dated 25.01.2017 and denied all the charges leveled against him stating that he has already submitted a detailed reply vide letter dated 04.04.2016, wherein all the facts have been made clear in detail. He stated that he was deputed on Jeep No. HR-03-P-7963 w.e.f. 24.12.2013 by the XEN and he was never deputed on Jeep No.HR-03-H-4903. He has also stated that the inquiry in question has been completed by the I.O. in a arbitrary and whimsical manner.

He also stated that all the allegations leveled against him are false and manipulated which were never tried to be verified. He stated that if the log book of the Jeep No. HR-03-P-7963 is perused for dated 13.12.2015 and 14.12.2015, it would itself clear that on both the days, he was available on duty and had taken the XEN to various places on that day. He stated that the entry dated 13.12.2015 in log book of jeep No. HR-03-P-7963 clearly established that he had taken the XEN from Jhajjar to Fatehpur, Fatehpur-Dhakla and other places at 9.10 AM and returned back at 8.40 PM and in the same manner on 14.12.2015 started at 8.30 AM and returned back at 5.40 P.M. He also stated that if the previous service record is perused since his joining in service from 30.04.1999, there is not a single complaint of any type against him. He also requested to exonerate him from the alleged charges.

The objection of the charged official was considered and it was decided to hear him in person before taking any final decision into the matter. The charged official appeared in this office. During hearing, he reiterated the same version as he stated in his reply to the charge sheet as well as objections submitted against the enquiry report and adduced nothing new.

After hearing the delinquent and perusal of relevant record, it is evident that the enquiry office has found the tempering by the delinquent in the log book of the other vehicle i.e. Jeep No. HR-03-P-7963 to create false evidences in his support. Therefore, the contentions of the delinquent are not tenable and the charges are proved against him. In view of above, he is awarded the punishment of stoppage of one increment with cumulative effect.

He is informed accordingly.

OFFICE OF THE HARYANA STATE AGRIL. MARKETING BOARD, PANCHKULA.

ORDER

Shri Satender Singh, the then XEN (now S.E.) was issued charge sheet under Rule-8 of the Haryana Civil Services (Punishment & Appeals) Rules, 1987 vide this office Memo No. C&E-II-1947/2015/47632 dated 12.05.2015 with following allegations:-

"That the administrative approval for the work special repair of road from village Gauriya to Bharangi (ID No.H.1598) under work plan for the year 2011-2012 was accorded by the competent authority for Rs.26,17,000/- vide memo No. CRR (WP 2011-12)-2012/006 dated 04.05.2012. The detailed estimate was technically sanctioned by the Superintending, HSAM Board, Gurgaon vide his office memo No.2010 dated 31.08.2012 for Rs.28,34,700/-. The work was allotted to Sh. Nandrampur Bass, Co-op. L&C Society, V.P.O. Nandrampur Bass, District Rewari by the Executive Engineer, HSAM Board, Jhajjar vide memo 1299 dated 27.07.2012 for completing the whole work within 03 months. The agency could not complete the work within the stipulated time period and the ex-post facto time extension was granted upto 30.11.2012 by the Superintending Engineer, HSAM Board, Gurgaon vide letter dated 01.05.2013. The work was got executed in the tenure of S/Shri Satender Singh, Executive Engineer, Satbir Singh, Sub Divisional Engineer and Amit Kumar, Junior Engineer.

This work was checked by the SVB (H) on 28.12.2013 and its technical opinion was received in this office through Government vide memo No. 1564/Agri-I-2014/13654 dated 18.09.2014. To check the quality of work, 3 nos. samples were taken at random and sent to FSL, Madhuban vide office memo No.13/phy-9279 dated 20.01.2014 by the SVB (H).

As per test results of sample no.3 of stone aggregate of size (53 mm to 22.4 mm) taken from the road from village Gauriya to Bharangi at RD 400 mtr., 1200 mtr. & 2150 mtr., the grading of aggregate on IS Sieve 63mm was found overgauge by 8.6% and on IS Sieve 53 mm, there was a variation of 13.6% on overgauge side. As per codal provisions, material with a maximum variation of 10% may be accepted but it should be associated with 10% reduction in basic quarry rate of

WBM material. In this case, the variation on 53 mm Sieve is 13.6% on overgauge side.

The basic quarry rate for this item was Rs.300/- per cum. Rate to be reduced is 13.6% of basic rate = Rs.40.80/- per cum. Quantity paid vide 2nd running bill = 834.22 cum. Amount to be deducted = $834.22 \text{ cum} \times 40.80 \text{ per cum} = \text{Rs.}34,036/-$. It has been recommended to recover this amount from the agency and to take suitable action against S/Shri Satender Singh, Executive Engineer, Satbir Singh, Sub Divisional Engineer and Amit Kumar, Junior Engineer.

That he (Shri Satender Singh) has been negligent during the execution of the work and he released/allowed the payment of substandard work. He has released the payment for overgauge stone aggregate which is required be recovered on penal rate i.e. $34,036 \times 2 = \text{Rs.}68,072/-$. Thus he did not exercise proper control over the work in order to achieve good quality of work as per approved DNIT/specifications and has acted in unprofessional/irresponsible manner. He has thus miserably failed to perform his official duties properly thereby causing financial loss of Rs.68,072/- to the Market Committee/Board for which he is squarely responsible.

Thus, he has failed to perform his official duties honestly, sincerely and diligently & has violated the provisions laid down under Rule 3(I) (iv), (v) & (viii) of Work Procedure of the Board & Haryana PWD Code, para 20.5.1 and B & R Manual of Orders rule 5.6 (ii) & (iv) and Rule 3(1) (i), (ii) & (iii) and 3 (2) (ii) of the Haryana Government Employees (Conduct) Rules, 1966."

He was asked to submit the reply within 15 days from the receipt of memorandum. The delinquent officer submitted reply to the charge sheet vide letter dated 16.07.2015 and denied all the allegations made against him stating that the SVB (H) has recommended to recover an amount of Rs.34,036/- from the bill of the agency for overgauge stone material on panel rate which was workout to Rs.68,072/-. He also stated that out of three samples collected from the site, two samples were found satisfactory and there was only some variation in gradation of 3rd sample of stone material which was also found within the permissible limits. He further stated that no other shortage of quantity of the material was noticed in the executed work. He has also stated that the recovery at penal rate of the overgauge material amounting to Rs.68,072/- was made from the pending dues of

3-

the agency by the Executive Engineer, Jhajjar. He further stated that the length of the road was 2.50 KM and taking only one sample of stone aggregate to assess the quality of work was not sufficient and true representative of the work carried out. He stated that the work was got carried out as per the approved specifications and provision approved in the DNIT. He has further stated that the matter has been examined at the level of S.E. (QC&V), Panchkula and the concerned S.E., Rohtak who recommended vide request dated 03.06.2015 that the recovery has been made from the bill of the contractual agency and there is no loss to the Board. He further stated that the variation in grade at internal sieve set was minor variation and as per clause-7 & 14 of the contract agreement, work found imperfect or the material of inferior description can be recovered/reduced suitable by the Engineer-in-charge. He further stated that the recommendations of the SVB, Haryana does not hold good regarding penal rate recovery and to charge sheet the officer/official where the assessment of the work has been found satisfactory and as per permissible limits. He further requested to file the case.

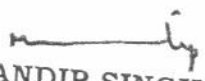

After considering his reply an opportunity of personal hearing was given to the delinquent before the final disposal of this charge sheet. The delinquent officer appeared in this office and reiterated the same version as he stated in his reply.

After hearing the arguments, the relevant record of the case was perused with the assistance of the concerned staff of the Board.

It is evident that the sub standard work was executed at site of work and recovery in this regard has been made from the final dues of the agency. In view of that, he is awarded the punishment of stoppage of one increment without cumulative effect.

Be communicated.

The agency could not complete the work within the stipulated time period and the ex-post facto time extension was granted upto 30.11.2012 by the Superintending Engineer, HSAM Board, Gurgaon vide letter dated 01.05.2013. The work was got executed in the tenure of S/Shri Satender Singh, Executive Engineer, Satbir Singh, Sub Divisional Engineer and Amit Kumar, Junior Engineer.

This work was checked by the SVB (H) on 28.12.2013 and its technical opinion was received in this office through Government vide memo No. 1564/Agri-I-2014/13654 dated 18.09.2014. To check the quality of work, 3 nos. samples were taken at random and sent to FSL,

- 2 -

Madhuban vide office memo No.13/phy-9279 dated 20.01.2014 by the SVB (H).

As per test results of sample no.3 of stone aggregate of size (53 mm to 22.4 mm) taken from the road from village Gauriya to Bharangi at RD 400 mtr., 1200 mtr. & 2150 mtr., the grading of aggregate on IS Sieve 63mm was found overgauge by 8.6% and on IS Sieve 53 mm, there was a variation of 13.6% on overgauge side. As per codal provisions, material with a maximum variation of 10% may be accepted but it should be associated with 10% reduction in basic quarry rate of WBM material. In this case, the variation on 53 mm Sieve is 13.6% on overgauge side.

The basic quarry rate for this item was Rs.300/- per cum. Rate to be reduced is 13.6% of basic rate = Rs.40.80/- per cum. Quantity paid vide 2nd running bill = 834.22 cum. Amount to be deducted = $834.22 \text{ cum} \times 40.80 \text{ per cum} = \text{Rs.}34,036/-$. It has been recommended to recover this amount from the agency and to take suitable action against S/Shri Satender Singh, Executive Engineer, Satbir Singh, Sub Divisional Engineer and Amit Kumar, Junior Engineer.

That he (Shri Amit Kumar) has been negligent during the execution of the work and he entered/recommended the payment of substandard work. He has also recommended the payment for overgauge stone aggregate which is required be recovered on penal rate i.e. $34,036 \times 2 = \text{Rs.}68,072/-$. Thus he did not exercise proper control over the work in order to achieve good quality of work as per approved DNIT/specifications and has acted in unprofessional/irresponsible manner. He has thus miserably failed to perform his official duties properly thereby causing financial loss of Rs.68,072/- to the Market Committee/Board for which he is squarely responsible.

Thus, he has failed to perform his official duties honestly, sincerely and diligently & has violated the provisions laid down under Rule 3(I) (iv), (v) & (viii) of Work Procedure of the Board and Rule 3(1) (i), (ii) & (iii) and 3 (2) (ii) of the Haryana Government Employees (Conduct) Rules, 1966."

He was asked to submit the reply within 15 days from the receipt of memorandum. The delinquent official submitted reply to the charge sheet vide letter dated 14.07.2015 and denied all the allegations made against him stating that during checking of work by the SVB (H), the stone metal was found overgauge by 8.6% on 63mm sieve and on sieve 53mm it was found 13.6% overgauge and further they alleged that he has failed to reduce the rate as per Codal rules. He also stated that the competency to allow the rates completely lies with the Sub Divisional Engineer concerned. He further stated that in the MB rates were filled by him as per the prevailing practice, but as per Board's Policy/Orders and as per manual code the rates are to be allowed and recommend for payment by the SDE in-charge. He further stated that when the SDE recommended the rates after appending his sign in the running bill then he was nowhere at fault regarding the reduction of rates. He also stated that running payment is a advance payment which is adjusted at the time of final payment. He further stated that the material in question was also got tested in the Division Lab in the presence of Sub Divisional Engineer in-charge and test result was found within permissible limit. He further stated that as per clause-14 of the contract agreement any defect occurred during execution is liable to be removed by the contractual agency at its own cost or by the department at the cost of agency. He further stated that the requisite recovery as recommended by SVB (H) has been made in the final bill for this work and the final bill of the

-4-

agency has been reviewed by the competent authority after getting it passed by the E.E., Jhajjar. He further prayed to drop the allegations and charge sheet and requested to give personal hearing for clarification, if any.

After considering his reply an opportunity of personal hearing was given to the delinquent before the final disposal of this charge sheet. The delinquent officer appeared in this office and reiterated the same version as he stated in his reply.

After hearing the arguments, the relevant record of the case was perused with the assistance of the concerned staff of the Board. It is evident that the sub standard work was executed at site of work and recovery in this regard has been made from the final dues of the agency itself proved that the work was got executed as sub standard which was later on rectified by the agency. In view of that, he is awarded the punishment of stoppage of one increment without cumulative effect.

He further stated that the quality of the work was well maintained and regularly checked by him and third party and the bitumen content was found as per specification during the execution of premix carpet after testing the samples in the office lab, but due to extreme cold weather at some point bituminous surface became brittle & patches were developed and same were got rectified from the contractor at his own cost. 3. That he remained wilfully absent from his duty on 01.12.2015 without any intimation or prior permission of the competent authority.
4. That he failed to submit his reply to the explanation timely, called vide memo No. 1736 dated 01.12.2015.

6. That he has violated the provisions of rule 3 (1) (i), (ii) & (iii) of the Haryana Government Employees (Conduct) Rules, 1966 and has failed to perform his official duties honestly, sincerely and diligently.

The above acts of omission and commission constitute a grave misconduct & dereliction of duties on his part, rendering him liable for severe disciplinary action.

He submitted his reply to the charge sheet on 06.02.2017. After considering the reply of Sh. Ved Pal Dhanda, Mandi Supervisor, Market Committee, Jind, a regular departmental enquiry was entrusted to Sh. Roshan

Lal. HCS (Retd). The Enquiry Officer has submitted the enquiry report on 08.06.2017 proving charge No. 1 to 4 and charge No. 5 was not proved against the charged official.

The copy of enquiry report was sent to the delinquent vide a memo dated 29.06.2017 with an opportunity to submit the representation if any. The delinquent submitted representation on 28.07.2017. He stated in the representation that the proceedings initiated against him are vitiated for several reasons and that the finding recorded by the enquiry officer is perverse and no charge is proved at all. He stated that the enquiry has not been conducted in accordance the principle of natural justice and the said enquiry had been completed in one single sitting by the enquiry office without giving adequate opportunity for presenting the defence. He also stated that the enquiry office has relied upon the sole statement of Sh. Sanjiv Kumar, Secretary Market Committee, Jind, which is against the principle of natural justice. He also stated that there is no allegation of deliberated omission or wrongful gain or any corrupt or improper motive on the part of the delinquent. He also stated that no loss has been suffered by the Market Committee or general public due to alleged act or conduct on the part of the delinquent and therefore, the omission, if any, is only a bonafide mistake or procedure lapse and does not constitute misconduct.

The reply submitted by the delinquent was considered in detail and an opportunity of personal hearing was given to the delinquent before taking final decision of the case. During hearing, Sh. Ved Pal Dhanda, Mandi Supervisor, has repeated the same version as he stated in reply to the charge sheet. He also added that he has retired from the services and therefore a sympathetic view may also be taken.

I have heard the delinquent and have also gone through the record available on the file. The inquiry office has proved the charges no. 1 to 4 against the delinquent while the charge no. 5 was not proved against him. The

delinquent at the time of hearing has specifically pointed out that there is no allegation of wrongful gain or any corrupt motive on his part. He also stated that no loss has been suffered by the Market Committee due to alleged conduct of the delinquent. In view of the above said facts and the fact that he has already retired from the services, he is awarded the punishment of 'Censure' by taking a lenient view.

BOARD, PANCHKULA

ORDER

Sh. Rajesh Kumar, Executive Engineer, H.S.A.M.Board, Bhiwani was issued charge sheet under Rule-8 of the Haryana Civil Services (Punishment & Appeal) Rules, 1987 vide memo No. C&E-I-2015/1189/115543 dated 09.12.2015 with following allegations:-

That the Deputy Superintendent (Admn.) vide his letter No. Admn.-VII-2015/93914 dated 21.09.2015 has intimated that Sh. Rajesh Kumar, the then Executive Engineer, HSAMBoard, Bhiwani vide letter no. 8818 dated 04.09.2014 sent the case for considering the case of regularization of services of S/Sh. Same Kumar and Baljit Singh, Workmen, who were engaged through contractual agencies during the year December, 1996/ January, 1997 and 2000 respectively. While recommending regularization of both the above persons, it was stated by him that they are working on work-charged basis continuously since 2000/1997 against group 'D' vacant post. He used double-edged language while doing so in a very diplomatic manner. On one hand, he clearly mentioned working of certain persons through contractual agency by using as defence, if needed, and at the same time, he shown them working continuously on work-charged basis giving the impression that they are working on the rolls of the HSAMBoard and are covered under the regularization policy.

On examination of the case at H.Q., based on the information/record collected from the Divisional office, Bhiwani, it was revealed that both the said persons were working on contract basis, engaged through the contractual agency, and were thus, not eligible for regularization being not covered under the Govt. policy dated 01.10.2003. As per orders of the competent authority, Sh. Rajesh Kumar, the then Executive Engineer, HSAMBoard was called for explanation vide letter dated 25.06.2015. However, he did not submit reply to the explanation call. Thus, Sh. Rajesh Kumar, Executive Engineer tried to facilitate illegal regularization of these two contractual employees working through the contractual agency by showing them working on work charge/daily wages basis with ulterior motive whereas the said case was not covered under the Government policy of regularization dated 01.10.2003. He has also failed to submit his reply to the explanation, which is a very serious irregularity on his part.

That Shri Rajesh Kumar, the then Executive Engineer, HSAMBoard, Bhiwani has misused his official position and tried to mislead the authorities by concealing the material facts of the case and tried to facilitate regularization of the officials who were engaged through the contractual agency and were not covered under the Govt. policy dated 01.10.2003. He has also failed to explain his position in response to the explanation call. His act is totally unbecoming, unlawful and negligent and thus, he has acted in an unprofessional and irresponsible manner. He tried to extend undue favour to the said persons in a conspired manner.

[Handwritten signature]

That he (Sh. Rajesh Kumar) has violated provisions of Rule 3(1) (i), (ii) & (iii) of Government Employees (Conduct) Rules, 1966 and has failed to perform his duties sincerely & diligently.'

The delinquent submitted his reply/objections to the charge sheet vide letter dated 08.06.2016 and denied all the allegations made against him stating that the case for regularization policy for Group C & D employees/workers in H.S.A.M.Board, Bhiwani Division was sent to this office vide XEN, Bhiwani vide memo dated 04.09.2014 on the recommendation of SDO-I & III in which it was clearly mentioned that the named employees/workers are working as work charge staff through contractual agencies enlisted in the Board, against work contingencies. He further stated that since, they were working with contractual agencies in Board as Drivers, Sweepers and Chowkidar etc. as reported by SDO-I & III, the position was clearly mentioned and nothing was concealed in the memo dated 04.09.2014.

Further, the delinquent has mentioned that he has sent the case for consideration only, not recommended for the appointment. He further stated that no double edged language was used for the purpose and it was clearly briefed as per actual facts and the reports of Sub Divisional Officers which were working in that division since long back. He also stated that the reply to the explanation called had already been given in which it was specifically mentioned that the named work chargers were through the contractual agencies enlisted in H.S.A.M.Board and no matter in this regard was concealed.

 The delinquent has also mentioned that after submitting the case at Head Office, he personally discussed the case with Sh. Bijender Singh, the then Ad.O (retd.) in detail and it was decided to file the case of all six work charge employees since they were not covered under the policy of the Govt. He further showed his ignorance how the case of these two employees out of total six was moved for further consideration with the H.Q. In the end, the delinquent denied all the allegations leveled against him and requested to drop the charge sheet.

After considering his reply, he was afforded an opportunity of personal hearing. During hearing, he denied all the allegations leveled against him and reiterated the same version as he stated in his reply to the charge sheet.

After hearing the delinquent officer and going through all the record placed on file, it is proved that the information sent by the delinquent was misleading. He had recommended the case of regularization of such workers who were not otherwise covered under the regularization policy. Thus, the allegations are proved against him. Therefore, he is awarded the punishment of stoppage of one increment without cumulative effect.

Be communicated.
