The Engineer-In-Chief,  
Haryana P.W.D (B&R) Branch,  
Chandigarh.

Memo No  
Dated:

13939

Sub:-

Construction of rural roads by PWD B&R on behalf of  
HSAM Board.

As decided in the meeting dated 10.5.1995 held in the room of Hon'ble Agriculture Minister, Haryana, please find enclosed a list of 25 roads having about 51.37 kms length. You are requested to send the rough cost estimates of each road separately for grant of administrative approvals. The estimates may be framed as per Board's policy as under:-

1. ✓ No provision of land acquisition be made in the estimate and road shall be constructed on existing consolidation paths.
2. Where the path available is ~~27'6"~~ 27'6", formation width be kept as 20' and where it is 33' or more the formation width be kept as 24'. In case, the path available is less than 27'-6", then land will be arranged free of cost by your concerned Executive Engineer.
3. Compaction of earth shall be made for top layer only as per Board's policy but earth shall be laid in layers as per specifications.
4. Metalled width of roads shall be 12'-0".

The mode of payment would be settled with you by Chief Engineer and Controller Finance & Accounts, H.S.A.M. Board who have been requested separately in this behalf.

A monthly progress should be submitted in respect of each work to Chief Engineer, HSAMB and Executive Officer-cum-Secretary, Market Committee concerned.

DA-As above.
